STRENGTHS

- documentation packages
- EHS management plans
- risk assessments
- juridical guidance

LANGUAGE SKILLS

- Finnish, native
- German, excellent
- English, excellent
- Swedish, good
- French, basics

CURRICULUM VITAE

I'm an occupational safety professional with strong international expertise and excellent language skills. I'm specialized in the legal liabilities of employers and EHS documentation. My recent BBA degree in business law in addition to many years of work experience makes me a good choice for smaller companies for a comprehensive management of occupational safety.

[Hietanen Sanna.pdf](#)

Qualifications:

Occupational safety card trainer (Centre for Occupational Safety)

Calibration of gas measuring devices (Dräger)

HOBBIES

3 big dogs enrich my life during my free time. Wandering around in the nature and mushroom picking in forests with the dogs are my most beloved activities in summer and autumn.

I also read almost all sorts of literature and I like watching historical documentaries.
